(4) *Validation of Kimberley Process Certificate for exportations from the United States.* With respect to the exportation of rough diamonds from the United States and regardless of the destination, the U.S. Census Bureau requires the filing of export information through the Automated Export System. Submission of export information through the Automated Export System must be done in advance and must be confirmed by the return of an Internal Transaction Number. The return to the filer of the Internal Transaction Number shall constitute the validation of the Kimberley Process Certificate for an exportation of rough diamonds from the United States to a Participant. The exporter is required to report the Internal Transaction Number on the Kimberley Process Certificate accompanying any exportation from the United States.
